Champagne problems

Mary Talton

Spring 2024

"Champagne Problems" refers to a popular Taylor Swift phenomenon surrounding the concept of first-world problems dealt with by those in positions of privilege and power who are seemingly problemless. This collection takes on a 90s aesthetic as portrayed in shows such as "Sex and the City" and is inspired by an eclectic nightlife scene with crafted cocktails. It is targeted towards young females within the age range of 19-25 for the Spring/Summer 2024 season.
